## POSTAL AUCTION CONDITIONS OF SALE

- HOW TO BID.** This postal bid sale is very similar to a normal auction that you would attend in person. The main difference is that the sale is conducted by mail, and all bids are sent to us before 6pm on the closing date. On the bid form write the lot number of each item you are interested in, and the highest price you are prepared to pay for each lot. A bid is successful if it is the highest bid received on the lot, subject to any reserve price set by the vendor. If the successful purchaser bids higher than the estimated price, the final purchase price will often be less than the bid price. Lots are sold at approximately 10% above the next highest bid. (This is NOT a 'tender' sale where the price offered is always the price paid.)
- ESTIMATES.** The estimate price against each lot is a price that we consider to be a reasonable value of the lot in the current market conditions. Bidders may bid above, below or at the estimate. Estimates are in New Zealand dollars.
- RESERVES.** Most lots have reserve prices set by the vendors. We cannot sell at below these reserve prices. Most reserves are between 75% and 100% of the estimate. Bids below 75% of the estimate are normally unsuccessful.
- INCREASE BIDS BY...** There is a space on the bid form where you can add a percentage increase to your bids if there is heavy bidding in the sale. This facility exists because sometimes bidders are disappointed when they miss out by only a few dollars. A bid of \$100+20% is treated the same as a bid of \$120. Bids below the estimate will have the percentage added if it is necessary to reach the reserve price.
- LIMIT OF PURCHASE.** You can control your total auction purchases by writing a 'limit of purchase' figure on the bid form. This allows you to bid on as many lots as you wish, but still control how much you purchase. Once this limit is reached, further bids are cancelled. The limit would include any percentage increase you wish to make - it is a total spending limit.
- 'BUY' BIDS.** If there are any lots that you are particularly keen to purchase, we can accept 'buy' bids. Remember that popular lots can sell for several times the estimated price. If you will not be happy purchasing at several times the estimate, then it is better to place a normal dollar value bid. If several 'buy' bids are received on any lot, the Sale Manager has absolute discretion and his decision is final.
- LATE BIDS.** Yes, if your bids are received by us after the closing date, you will miss out! Always allow enough time for the mail to reach us. Alternatively phone, or e-mail your bids. If two bids are tied, the first one received is successful.
- BIDS BY TELEPHONE.** You are welcome to bid by telephone. Leave a message including your bids and other necessary details.
- BIDS BY E-MAIL.** You can send bids by e-mail, provided that all necessary information is included. If you intend to pay by credit card, please provide the card number, expiry date and 3 digit CVC number (on the back) with your bids. Bidders who do not give these details before the auction will require correspondence afterwards and are processed last. New bidders should send their credit card details, address where credit card statements are posted, and authorisation signature by mail.
- DESCRIPTIONS.** Each lot in this postal bid sale has a description that we consider is fair and accurate. Every collector has slightly different ideas on what represents 'average' or 'fine' condition, especially in relation to other stamps in his collection. Centring, gum and perforations can vary considerably in early issues. Our descriptions are based on years of international experience, and should prove reliable. Sometimes a catalogue reference number, perforation gauge or watermark is quoted even on a simplified stamp at a basic price.
- VIEWING.** Colour scans can be sent to your e-mail address or postal address for reasonable requests. Clients are welcome to view any lots at our office prior to the closing date. Please telephone in advance so that a suitable time can be arranged.
- RETURN OF LOTS.** If a lot is found to be incorrectly described, it may be returned if the return is made within 3 days of receipt. With the volume of material handled, occasionally a small fault may be overlooked and the lot may be returned because of this.
- WITHDRAWN LOTS AND ACCEPTANCE OF BIDS.** Although rarely necessary, we reserve the right to withdraw any lot without explanation or notification, and we reserve the right to reject any bid without explanation or notification.
- PAYMENT.** Accounts should be paid within 7 days of receipt unless already paid by credit card. Payments may be made by bank deposit or by Mastercard or Visa. Sorry our bank does not accept cheques.
- POSTING OF LOTS.** Apart from postage and handling, there is a small additional charge for insurance of sendings to most countries. Sorry, we do not take responsibility for items that go missing to or from South America.
- GOOD & SERVICES TAX.** GST is not charged to the buyer. It is charged to the vendor in the commission. There is no buyer's premium.

## GUARANTEE

We are confident that every lot matches the description, both in condition and classification. If you disagree, feel free to return the offending lot within 3 days for a full refund or credit.

## \$\$\$\$\$ LAY-BY \$\$\$\$\$
